Reference Form

IDT Baja BSTC is an intensive discipleship program, designed to further equip and train those who are called to the mission field. Interns will be working closely with Mexican, American and Canadian churches and believers. For the season that the intern is with us, their lives will be under the magnifying glass that everyone in ministry experiences. We would like this experience to be an enjoyable one for all concerned. For this purpose, absolute honesty and openness is appreciated when filling out this reference. It is our aim to develop and cultivate the gifts and passions of the interns, and to be forewarned regarding any potential concern that might arise. Ignorance of vital issues will be detrimental both to the applicant and their fellow interns. Any information you submit will be kept in complete confidentiality. Thank your for your cooperation.
